

Exploded view diagram of the Bosch Power Tool 118100, showing various components and their assembly order. The diagram includes the following parts and their corresponding labels:

- 118115: Accessory tray with a handle and a lock.
- 118117: Locking mechanism for the accessory tray.
- 118116: Locking mechanism for the accessory tray.
- 118118 (2x): Screws for the locking mechanism.
- 118272: Locking mechanism for the accessory tray.
- 113240: Locking mechanism for the accessory tray.
- 113232: Locking mechanism for the accessory tray.
- 118119: Locking mechanism for the accessory tray.
- 113248: Power cord with a coiled cable and a plug.
- 113259: Plug for the power cord.
- 112111: Locking mechanism for the accessory tray.
- 109030: Locking mechanism for the accessory tray.
- 109117: Locking mechanism for the accessory tray.
- 113219: Locking mechanism for the accessory tray.
- 113116: Locking mechanism for the accessory tray.
- 118225: Locking mechanism for the accessory tray.
- 118273: Locking mechanism for the accessory tray.
- 113223: Locking mechanism for the accessory tray.
- 113224: Locking mechanism for the accessory tray.
- 118102: Locking mechanism for the accessory tray.
- 118103: Locking mechanism for the accessory tray.
- 113222: Locking mechanism for the accessory tray.

Artikel-Nr. Beschreibung

Ersatzteile Pumpsauger HydroX Works
